The primary purpose of this calendar is to acquaint you with the expectations and time commitment of the Jurupa Valley High School football and the Jurupa Valley High School track & field program. You are responsible to read, understand, and follow the program calendar. Information has been put in this calendar so you can refer to it throughout the year when you feel it is necessary. This calendar was made to assure that you understand what I expect from you. It is my attempt at avoiding any misunderstandings.
